The Kentucky State Historical Records Advisory Board's Kentucky Archives Month Coordinating Committee is pleased to announce that entries are now being accepted for the 2009 Kentucky Archives Month Video Contest.

Goal and Purpose
The main goal of the Kentucky Archives Month Video Contest is to show how students use archival materials in research and how they document the research process for the various projects. Examples of projects can be school projects submitted for National History Day or Kentucky Junior Historical Society or even personal research projects. Students can work in a group or individually.

Divisions
The video competition is open to high school students grades 9-12 in Kentucky.

Theme
The theme for Kentucky Archives Month in 2009 is **Abraham Lincoln**. Learn more about Kentucky Archives Month at http://archivesmonth.ky.gov, and the nation-wide celebration of American Archives Month at http://www.archivists.org/archivesmonth/index.asp.

Video Length
The video should not exceed 10 minutes.

Format and Other Guidelines
Videos can be made using movie making software (such as Movie Maker or iMovie). The video must be the student's original work. The videos can contain clips, images and music produced by sources other than the student, but they must be cited as such. A bibliography must be included with the video. A brief list of source credits must be listed at end of the video. The videos must be submitted in DVD format and the DVD must play on a standard computer. A short narrative or process paper describing the video and the project must be included and should not exceed two pages. All original videos and reproduction rights become the property of the Kentucky State Historical Records Advisory Board (SHRAB) and the Kentucky Archives Month Coordinating Committee.

Prize or Incentive
The winning video will be put on the Kentucky Archives Month website, a certificate of merit will be presented to the winning student(s) at their school, and the student(s) will receive a gift card.
